International Legal Materials Supplement (University Casebook Series)** before purchasing it in order to gage
whether or not it would be worth my time, and all praised International Legal Materials On Intellectual Property, 2011
International Legal Materials Supplement (University Casebook Series):

This is the most up-to-date, complete, yet manageably-sized, volume of international and comparative documents and materials for a course in International Intellectual Property Law. This 2011 International Legal Materials supplement includes documents relevant to major international intellectual property law topics.
