Richard C. Lawrence : International Tax Estate Planning: A Practical Guide for Multinational Investors before purchasing it in order to gauge whether or not it would be worth my time, and all praised International Tax Estate Planning: A Practical Guide for Multinational Investors:

International Tax Estate Planning is filled with insightful strategies for preserving the estate. Find out how to protect against nightmarish complexities of renvoi, forced heirship in civil law jurisdictions, and the negative impact of common law. You'll also get expert tax-advantaged strategies for leveraging assets, such as use of a transient posture

to reduce future taxes and protective devices for corporations based in financially attractive, but potentially unstable, foreign states.

About the Author Robert C. Lawrence III has been a partner in the New York office of Cadwalader, Wickersham Taft since 1974 and is recognized as a leading authority in both international and domestic tax, trust, and personal planning matters.
