Don't spend the money unless you want a hard copy By SAMUEL J STROMAIN The book has WTO language and a bunch of other international law statutes/treatises that you can otherwise download online for free. So, unless you need a hardcopy for something save the money and just pull it off the web. I bought it for a class on International Trade Law as it was a required text, and returned it to save the money. 0 of 0 people found the following review helpful. Essential International Trade Law Supplement By Katie G This is an

essential supplement for anyone studying international trade. It contains copies of all the key documents you will need to reference, both US and International. 0 of 0 people found the following review helpful.
