I. Nakane : Interpreter-mediated Police Interviews: A Discourse-Pragmatic Approach before purchasing it in order to gage whether or not it would be worth my time, and all praised Interpreter-mediated Police Interviews: A

Discourse-Pragmatic Approach:

This book shows how participation of interpreters as mediators changes the dynamics of police interviews, particularly with regard to power struggles and competing versions of events. The analysis of interaction offers insights into language in the legal process.

Explore the impact of interpreter mediation on police investigative interviews and the challenges that arise for those involved, with a view to recommending strategies towards a more effective handling of these. Nakane's monograph sets out to approach the interpreter-mediated suspect interview as tripartite interaction taking place in a specific institutional context. The monograph by Nakane is directed primarily at researchers specialised in exploring institutional discourse. (Isabelle Perez, *Interpreting*, Vol. 18 (1), 2016) About the Author Ikuko Nakane is Senior Lecturer at the Asia Institute, University of Melbourne, Australia. Her research areas include language and law, intercultural communication and Japanese sociolinguistics. She is the author of *Silence in Intercultural Communication* and a number of articles in sociolinguistics and applied linguistics journals.
