0 of 0 people found the following review helpful. not recommendedBy Kristin SikiricaThere is no logical flow. It is very difficult to read and follow the material. The chapters provide key terms but the terms are not defined.

Additionally, not all key terms are in the glossary.1 of 1 people found the following review helpful. Great book with lots of insightBy Taryn T.I rated this a 5 star because it is a good book with lots of insight into interviewing and investigating.0 of 0 people found the following review helpful.
