Katherine A. Currier, Thomas E. Eimermann : Introduction Paralegal Studies: Critical Thinking Approach 4 Ed before purchasing it in order to gage whether or not it would be worth my time, and all praised Introduction Paralegal Studies: Critical Thinking Approach 4 Ed:

1 of 1 people found the following review helpful. Introduction for ParalegalsBy LotsopopGreat book for an introduction into tasks that a Paralegal may face in his/her professional career. Book does not go into depth for many topics, but introduces it briefly- hence why it is an introduction. Good book to read about if you're interested or want to know more about the Paralegal profession.0 of 0 people found the following review helpful. ... book for a paralegal class and it was VERY good writing for the new paralegalBy R.D.I had to use this book for a paralegal class and it was VERY good writing for the new paralegal. The book was actually better than the teacher. I believe this author writes from the perspective of someone who has no knowledge of being in law and takes you step by step into the process of becoming a paralegal.7 of 7 people found the following review helpful. Great introBy PrincessaReally liked reading this textbook way ahead for class, it's easy to understand and straightforward. Makes me think twice about

reselling it.

Introduction to Paralegal Studies: A Critical Thinking Approach introduces paralegal students to the law and legal concepts while providing them with practical information about what paralegals actually do in the legal system. Now in its fourth edition, this text continues to deliver a comprehensive, intelligent overview of all the key concepts typically covered in introduction to paralegal studies or introduction to law courses.

Qualities that make this text an excellent teaching tool include:

- Critical thinking approach** used to introduce students to the study of law, encouraging them to interact with the materials through hypotheticals, examples, and well-designed questions.
- Teaches students the **basic skills necessary to understand statutes and court cases**.
- Strong pedagogy** includes ethics alerts, marginal definitions, Internet references, and legal reasoning exercises throughout the book.
- Well-organized, accessible format**
- Excellent ancillary package**, with a comprehensive Instructor's Manual, in-depth test bank, and PowerPoint slides. Blackboard package also available.

The Fourth Edition is enriched by:

- New developments** are incorporated throughout this edition.
- Updated ethics** materials.
- New and updated** assignments

For in-depth coverage of the legal system, the law and the analysis of it, and the role of the paralegal within the system, choose **Introduction to Paralegal Studies: A Critical Thinking Approach**.
