**Martin A. Frey, Phyllis Hurley Frey, Sidney K. Swinson : Introduction to Bankruptcy Law** before purchasing it in order to gage whether or not it would be worth my time, and all praised Introduction to Bankruptcy Law:

0 of 0 people found the following review helpful. Great ResourceBy Edward J. BartonCovers the landscape with some case law, examples of forms and filings, excerpts from the Code, easy to read and good reference. As a basic intro, the book will give you the basics. For a paralegal or new attorney, it is a good overview for the tactical practice of filing and basic case administration. Not a hornbook and not a law school approach.2 of 2 people found the following review helpful. its okayBy EPITOMICEit was stated that it would have markings. but there is an overload of markings and writing in the book. you can tell it is an "over-used" book. but hey i can still read the print.. my book arrived towards the end of the time space given.. classes had already started and getting my book late but me even futher behind..0 of 0 people found the following review helpful. Very quick but not in good conditionBy VshipI received the textbook right away; however the book was not in "Good" condition. The binding was in bad condition and the cover was covered in

tape. There was extensive highlighting in the text. Happy with the quick service and price, but not the condition of the book.

Introduction to Bankruptcy Law, fifth edition, is designed for paralegal courses in bankruptcy law. This new edition corresponds to the changes in bankruptcy law after enactment of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005 (BAPCPA). Material in this edition includes changes in the bankruptcy code and practice, new and revised official and procedural bankruptcy forms, revised bankruptcy rules, and bankruptcy cases that detail the case from initiation of the attorney/client relationship through the closing of the case. The text also includes new flow charts for each type of bankruptcy filing that emphasize the two tracks of bankruptcy; the administration of the bankruptcy estate and the debtor's desire to receive a discharge from as many debts as possible. Other key features are a brief history of bankruptcy law, research aids, alternatives to bankruptcy, a discussion of the role of the various parties involved in the bankruptcy process, and an overview concerning eligibility and the selection of the appropriate bankruptcy chapter under which the case should be filed. The text retains its step-by-step approach to each type of bankruptcy filing so the bankruptcy process is clear and understandable to the student. Greater emphasis is placed on the paralegal's role in the fact gathering process and the interface with clients, and the concept-example-problem format provides the opportunity for lively class discussion.

reviewer quotes to come

About the Author Martin A. Frey, BSME, JD, LL.M., is a Professor Emeritus at The University of Tulsa, Tulsa, Oklahoma, Senior Adjunct Settlement Judge for the United States District and Bankruptcy Courts for the Northern Districts of Oklahoma, and was the Reporter for the Civil Justice Reform Act Advisory Group for the United States District Court for the Northern District of Oklahoma. He was a professor at Drake and Texas Tech Universities and a visiting professor at the University of Maine, Washington University (St. Louis), the University of Alabama, Wake Forest University, Stetson University, and Florida International University. When teaching, Professor Frey served on a number of site visitation teams for the Section on Accreditation and Admission to the Bar of the American Bar Association. Professor Frey currently volunteers with the Financial Crimes Unit of the Tulsa Police Department. He is the author or co-author of "The Little Black Book, A Do-It Yourself Guide for Law School Competitions" (Carolina Academic Press, 2002); "Alternative Methods of Dispute Resolution" (Delmar Learning Thomson, 2003); "Introduction to the Law of Contracts, 4th Edition (Delmar Cengage Learning, 2008); "Introduction to Bankruptcy Law, 6th Edition (Delmar Cengage Learning, 2013); and "Essentials of Contract Law," 2nd Edition (Cengage Learning, 2015).
