Beth Walston-Dunham : Introduction to Law, 6th Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Introduction to Law, 6th Edition:

0 of 0 people found the following review helpful. Many good small topicsBy A SmithVariety2 of 2 people found the following review helpful. VERY GOOD DEALBy Diane M. O' DonnellExcellent condition, very useful for my class and is a book that will be useful throughout my law career. Worth the cost0 of 0 people found the following review helpful. This is a very easy read and is full of useful informationBy Stephen EdwardsThis is a very easy read and is full of useful information. I had read other reviews before purchasing it and agree that this is a great reference book to keep handy, especially for the rest of my law classes.

This best-selling text creates an awareness and appreciation for the effect that law has on virtually every facet of modern life and society. Beginning with a detailed look at the organization of the U.S. system of government, the text

guides you through each of the primary substantive areas of law with realistic assignments, relevant ethical considerations, and easy-to-understand judicial opinions that reinforce chapter topics. From fundamental concepts to emerging legal topics, INTRODUCTION TO LAW presents the terminology, principles, and cases that are having an impact on society--and on many professions--today.

"My reaction to this textbook is very favorable. It was a great review of legal concepts and I can see students enjoying this book. It is well-written and straightforward; it is a high-quality product. If I had to recommend a book for paralegal students, this would be near the top of my list."About the AuthorBeth Walston-Dunham is a licensed attorney. Additionally, she is licensed in the United States Court of Appeals, 8th Circuit.
