Frank August Schubert : Introduction to Law and the Legal System before purchasing it in order to gage whether or not it would be worth my time, and all praised Introduction to Law and the Legal System:

0 of 0 people found the following review helpful. PERFECT!By MarieGirlI required this book for a class. I was thrilled that I found it used, at a great price, and shipped it so fast!. The book itself is in excellent condition. Just like new, but I don't have to break the binding-- so it "sits" nicely to read. It IS a textbook, but it reads simple enough and the information flows and is understandable. Pretty good considering I thought "Law" might be 'dry'. There is a newer version--but my instructor stuck with this prior version. There is also a study guide that I found through .com, but shipped from a different seller. You get more out of the text when referencing the SG, so if it's optional for you--my advice is to go ahead and get the guide. I'd personally like to see them "bundled" together.0 of 0 people found the following review helpful. Purchased for schoolBy Eric RevolloI got this for school. I hate reading textbooks but it must be done. I don't really have anything to compare it to but it seemed like a good textbook, nonetheless.0 of 0 people found the following review helpful. Better than ExpectedBy J.G. McFarlandBook was in great condition.

Better than what was expected.

Introduction to Law and the Legal System provides an overview of law and the American legal system, using a variety of cases to support the major functions of U.S. law. Suitable for a variety of departments and courses, this text is known for its broad coverage and introductory level, flexible organization, and use of cases to explain legal concepts.

"The text is the most comprehensive undergraduate text on the market and an excellent supplemental text for a graduate course in the American judicial process." About the Author Frank August Schubert is a former Associate Professor of criminal justice at Northeastern University where for twenty-five years he taught introduction to law, criminal law, criminal procedure, and other law-related courses. Prior to becoming a professor, Schubert worked as administrative assistant to the Director of Police in Dayton, Ohio, and as an assistant district attorney and special prosecutor in Wisconsin. He earned his undergraduate degree from Michigan State University and his law degree from the University of Wisconsin Law School. He is a member of the State Bar of Wisconsin.
