Outstanding teaching tool and outstanding seller! The CD that comes with the book helps you understand what the text is telling you in interesting and valuable ways. It has mini tests and word searches and crosswords. I HIGHLY recogmend this for anyone considering the field, Even if your professor does not require the text.0 of 0 people found the following review helpful. Intro to ParalegalismBy FM1769Great book if you are new to the realm of becoming a legal assistantct not just a paralegal. It includes a cd-rom with lots of extras that has been extremely beneficial to the students in my class.

Very good condition. No writing or highlighting in book. Does NOT come with WebTutor Code. CD is included.
