Redundant if you have the Singer Property CasebookBy cls11If you use the Singer Casebook for property, you're not going to get much more out of this hornbook. Unlike most casebooks, Singer's is actually pretty good at laying out the black letter law and emphasizing policy tidbits in the notes. Could be helpful if you don't use the casebook though...Started with this book; now I've been using Gilbert property outline, and go straight to my professor with policy questions. Worked well so far
