**B. Bentham : Introduction to the Principles of Morals and Legislation** before purchasing it in order to gage whether or not it would be worth my time, and all praised Introduction to the Principles of Morals and Legislation:

7 of 7 people found the following review helpful. WARNING! DO NOT BUY THE 2010 PAPERBACK!!!By Ex absurdo contradictorioThe 2010 paperback is basically a photocopied version, which seems like it was done on a melting photocopier! Many of the pages are barely readable, and there are photocopied notes someone took, which aren't even helpful... I highly recommend purchasing the 1988 version instead! I don't know why such a version is being sold by .1 of 1 people found the following review helpful. Bentham is much more sophisticated in his thinking

than many realize. By Chuck Bentham is much more sophisticated in his thinking than many realize. He is the most important political philosopher of all time. 0 of 0 people found the following review helpful. Andrs Mauricio Briceo Chaves By Andres Briceno So a great book for Jeremy Bentham, and work about the utilitarianism system. Always Bentham works it is fantastic and formative.

This is a pre-1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts - the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide.

Dr Schofield's editorial work is exemplary, and greatly assists the reader. The editor's labours and scholarship are much to our profit. These writings add significantly to our knowledge of Bentham ... the paperback reissue of the definitive text of the Collected Works edition is very welcome. Peter Nicholson, University of York, Political Studies, Vol. 45, No. 1, March '97 From the Back Cover An Introduction to the Principles of Morals and Legislation, Jeremy Bentham's best-known work, is a classic text in modern philosophy and jurisprudence. First published in 1789, it contains the important statement of the foundations of utilitarian philosophy and a pioneering study of crime and punishment, both of which remain at the heart of contemporary debates in moral and political philosophy, economics, and legal theory. About the Author Jeremy Bentham
