Carl Schneider, Margaret Brinig : Invitation to Family Law (American Casebook Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Invitation to Family Law (American Casebook Series):

Invitation to Family Law contains such materials as briefs, literary treatments of marriage, divorce, and parenting, and simulated case files from families involved in the social service system. This work reflects the contrasting backgrounds and interests of the authors including constitutional theory, moral philosophy, and the literary tradition of

law, community and family. It also presents law and economics, feminist theory and application of legal theory to many practical family law problems. You'll see the authors common fascination with history, concern with fairness (and fair treatment of the issues), and genuine love of the subject that motivated this work.
