Colin C. Murphy, James Nesci : Iowa Owi Defense: The Law and Practice before purchasing it in order to gage whether or not it would be worth my time, and all praised Iowa Owi Defense: The Law and Practice:

0 of 0 people found the following review helpful. Five StarsBy CustomerThe definitive Hornbook for Iowa DUI Law...

For even the most seasoned attorney admitted to practice in the State of Iowa, defending OWI cases has always presented special challenges. Today mounting a successful defense is more difficult than ever. Now you have the advantage with Iowa OWI Defense: The Law and Practice. This text and supplementary DVD contains the most important information to help you attain a successful verdict. Written by Colin Murphy and James Nesci, both members of the National College for DUI Defense, Iowa OWI Defense: The Law and Practice ensures that you understand the chemical, biological and technological concepts and issues underlying OWI prosecution and defense in the State of Iowa. The authors provide the most up-to-date information available on key areas of OWI law in Iowa

including: OWI Investigations, Driving and Field Sobriety Testing, Drug Recognition, Evaluation and Chemical Testing, Blood Alcohol Calculations, Pre-trial Investigations and Motions, Practice, Plea Offers and Agreements, OWI Trial Procedures, and more. Many practical tools and applications designed to streamline and simplify the complex OWI defense process have been developed along with this book. They are all included on a bonus DVD--so you can locate, review and print them out in a matter of seconds. The companion DVD contains NHTSA studies, articles and visual detection videos.

About the Author Colin Murphy P.C. is a niche trial practice focusing on OWI, drug defense and civil forfeiture in Iowa state courts. Colin Murphy is a certified operator of the DataMaster breath testing device. He has received training in NHTSA standardized field sobriety testing and blood and urine analysis. Colin frequently lectures on these topics and consults in the area of forensic chemical testing. He is a proud member of the National College for DUI Defense, the NORML Legal Committee and the Iowa Association for Justice. Colin received his BA in General Science-Biology from Grinnell College. He earned his JD with Honors from Drake Law School where he served as research editor for the Drake Law .
