Heather Brooke Quick Esq : Is Divorce Right for You?: A Step by Step Guide to Determine if You are Ready before purchasing it in order to gage whether or not it would be worth my time, and all praised Is Divorce Right for You?: A Step by Step Guide to Determine if You are Ready:

Is divorce the right choice for me? What will life be like afterwards? What about the children? Who can help me decide the next step? If you are a woman considering divorce, this step by step guide to help you determine if you are ready is a must-read. Written by Heather Brooke Quick, CEO of The Quick Law Group and author of Women's Guide to Divorce in Florida, this guide will identify questions and fears, suggest solution sources, and help clear the way for you to make a decision about your next steps. Whether it is to start your new life by giving reconciliation a one-hundred percent chance, or picking up the phone to consult with a divorce attorney, you will be able to start moving toward a goal - one that promises what you really want - a happy, healthy, peaceful lifestyle. You have the power to choose! This guide will help you get to the place where you can make your decision.
