Hiroshi Oda : Japanese Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Japanese Law:

This book presents the only English language, up-to-date, and comprehensive reference to Japanese law. It covers a wide range of topics, from the fundamentals of the Japanese legal system, to the Civil Code which is the cornerstone of private law in Japan and business related laws in a comprehensive manner. The author presents the current state of

Japanese law in operation by referring to numerous cases and the latest discussions. Since the last edition in 1999, Japanese Law, in almost every area, has undergone substantial reform, all of which is reflected in the new text. In particular, the new edition contains the first comprehensive analysis of the new Company Law and the Financial Instruments and Exchange Law. This makes this book an essential reference work for all who have an interest in Japanese law.

" from previous edition from previous edition successful in offering a clear, readable and structured account ..." -- International and Comparative Law Quarterly, Vol. 50, Oct 2001 "this book is certain to give balanced and intelligent grounding to the uninitiated, and food for further exploration to the enthusiast. Professor Oda's historical awareness makes of an introductory legal text a genuinely delightful read." --Irish Jurist 35 (2000) "a classic for jurist and Western comparative lawyers" --Xavier Blanc-Jouvan, Revue Internationale de Droit Compare About the Author Hiroshi Oda is the Sir Ernest Satow Professor of Japanese Law at the University of London (University College), a professor of the College d'Europe (Brugge), and consultant to Herbert Smith, solicitors. He is a graduate of the Law Faculty of the University of Tokyo, held a chair of Soviet Law there and was granted a LL.D before moving to London. He has held various visiting positions including visiting professorship at Cornell Law School (US). He is also a qualified attorney in Japan and practises Japanese and Russian law in London and Tokyo.
