Craig N. Johnston : Johnston, Funk, and Flatt's Legal Protection of the Environment, 3d before purchasing it in order to gage whether or not it would be worth my time, and all praised Johnston, Funk, and Flatt's Legal Protection of the Environment, 3d:

0 of 0 people found the following review helpful. Satisfied with purchase.By CustomerNo defects. A lot of hilighting, but the text is legible.0 of 0 people found the following review helpful. Four StarsBy Lisa L. DorrelGood case book!

The new edition features an entirely new section on climate change law. It also contains updated sections on all federal environmental laws and more coverage of international environmental laws. It continues to be an excellent tool for

analyzing environmental issues and teaching how to be an environmental lawyer.
