Janine Little : Journalism Ethics and Law: Stories of Media Practice before purchasing it in order to gage whether or not it would be worth my time, and all praised Journalism Ethics and Law: Stories of Media Practice:

iJournalism Ethics and Law focuses on some of Australia's most notorious current events to bring to life the on-going conversation about journalism ethics and how the law works with today's media. Emphasising practical work-based approaches to developing best practice multimedia journalism; this book presents a combined ethics and law experience for journalism students. It includes interactive activities and tips developing further knowledge of journalism as a distinct media practice, as well as timely case studies aimed at highlighting the most significant questions for the practice of law and ethics today.
