**Laurel Currie Oates, Anne Enquist : Just Research** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Just Research:

0 of 0 people found the following review helpful. Five Stars By din menok 2 of 2 people found the following review helpful. What I wished I used in law school By Soogar This book demystifies the legal research process. Instead of focusing solely on the types of sources, it provides a blueprint for how to research an issue based on the kind of law that governs it. If you lack confidence in your research skills, this is the book for you.

Just Research provides students with the information and skills that will enable them to do thorough and cost-effective research as soon as they enter into practice. Highly respected authors Laurel Currie Oates and Anne Enquist describe the sources that can be used to research the most common types of legal issues, for example, issues governed by state statutes and regulations, issues governed by federal statutes and regulations, issues governed by local law, and issued

governed by common law.
