**Earl Johnson : Justice and Reform: The Formative Years of the American Legal Services Program (Transaction/Society Book Series 28)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Justice and Reform: The Formative Years of the American Legal Services Program (Transaction/Society Book Series 28):

They read like fine novels and yet were so full of incredible details that they have also become my concise go-to reference for thousands of facts and dates that are important to me. Bravo!
