before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Juvenile Criminal Defense Strategies*, 2012 ed.: *Leading Lawyers on Examining Recent Trends in Juvenile Law and Building a Successful Defense (Inside the Minds)*:

*Juvenile Criminal Defense Strategies* provides an authoritative, insider's perspective on best practices for representing juvenile clients in criminal cases. Featuring partners and chairs from some of the nation's leading law firms, this book guides the reader through the process of gaining familiarity with the juvenile court system and its many players, and the importance of understanding the differences between the adult and juvenile court systems. These top lawyers provide guidance on getting to know juvenile clients, understanding the juvenile code and its structure, and becoming familiar with the community partners who are available for assistance. Finally, these leaders share their thoughts on the value they bring to the lives of their juvenile clients and the communities in which they live. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts on the keys to success within this dynamic field. *Inside the Minds* provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities. Chapters Include: 1.
