Currently, top law schools accept fewer than 20 percent of their applicants. Kaplan is equipped to address the needs of candidates who want to make their applications and test scores stand above the rest. With proven results, nine out of ten Kaplan LSAT course students get into one of their top three law school choices. This revised edition of the Kaplan guide meets the concerns of today's applicants, discussing issues such as: -- Managing application and financial aid

deadlines-- Assessing special programs like international or environmental law-- Interpreting statistics and information about schools.
