Bill O'Reilly, Charles Flowers : Kids Are Americans Too before purchasing it in order to gage whether or not it would be worth my time, and all praised Kids Are Americans Too:

0 of 0 people found the following review helpful. Five StarsBy Patrick McKerryGreat book By a Great author1 of 1 people found the following review helpful. Good and informativeBy David MaurerI bought this as an adult. I like Bill O'Reilly and have read many of his other books. I was curious to see what this was like and to possibly pass it on to my nieces and nephews. Very informative and an easy listen. I think it would be great for kids 8 or 10 to 17,

depending on comprehension levels and interest level of the kid.0 of 0 people found the following review helpful.
Good book for teenagers.By A. MillerGood book for informing kids about the laws we live under and how to deal with them.

Four-time #1 bestselling author and veteran television news journalist Bill O'Reilly has more than 5 million copies of his books in print to date! His first book for young fans, *The O'Reilly Factor for Kids*, held the honorable distinction of being the #1 bestselling nonfiction title for kids in 2005 according to Nielsen's *The Book Standard*. Back again with a dialogue on rights that will have everyone talking, O'Reilly and his coauthor Charles Flowers dole out the kind of blunt, cogent, commonsense commentary you count on them for. Together they explore timely questions being debated in and out of courts today, including: Can a kid wear an anti-gay T-shirt on campus? Does a school newspaper have the right to bad-mouth a principal? Does a mother have the right to eavesdrop on her daughter's telephone conversations? Some of the answers will surprise you. Some will empower you. All will make you think.
