From Hart Publishing : Landmark Cases in Equity before purchasing it in order to gage whether or not it would be worth my time, and all praised Landmark Cases in Equity:

Now available in paperback, this book contains essays on landmark UK cases in the development of equitable doctrine, running from the 17th century to recent times. The range, breadth, and social importance of equitable

principles are well known, as these affect commercial, domestic, and even political matters. By focusing on the historical development of these principles, the essays help the reader to understand them more clearly, and also provide insights into the processes of legal change through judicial innovation. The themes addressed include: the nature of the UK courts' equitable jurisdiction * the development of UK property rights in equity * constraints on the powers of settlors to create express trusts * the duties of trustees and other fiduciaries * remedies for breach of these duties * the evolution of constructive and resulting trusts. (Series: Landmark Cases)

The work ... will be valuable to those wishing to broaden their insight into leading equity cases . In giving a fascinating description of the historical context of cases, many of the essays are also likely to appeal to those with an interest in legal history or even in history generally. Christine Flutter, Trust Law International (Christine Flutter Trust Law International 2012)About the AuthorCharles Mitchell is a Professor of Law at University College London. He is the author of *Underhill and Hayton: Law Relating to Trusts and Trustees* 18th edn (LexisNexis Butterworths, 2010) (with David Hayton and Paul Matthews) and *Goff and Jones: The Law of Unjust Enrichment* 8th edn (Sweet Maxwell, 2011) (with Paul Mitchell and Stephen Watterson). He is also the editor of *Constructive and Resulting Trusts* (Hart, 2010).Paul Mitchell is a Professor of Laws at University College London. He is the author of *The Making of the Modern Law of Defamation* (Hart, 2005)and *Goff and Jones: The Law of Unjust Enrichment* 8th edn (Sweet Maxwell, 2011) (with Charles Mitchell and Stephen Watterson). He is also a contributing editor of *Chitty on Contracts* 31st edn (Sweet Maxwell, 2012).
