**Michael Weir : Law and Ethics in Complementary Medicine: A Handbook for Practitioners in Australia and New Zealand** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Law and Ethics in Complementary Medicine: A Handbook for Practitioners in Australia and New Zealand:

0 of 0 people found the following review helpful. Five StarsBy foxyGreat item and seller, Thanks very much!

A comprehensive handbook on law and ethics for both the student and professional complementary medicine practitioner, now in its fourth edition

"This fourth edition is an essential reference for all natural health care practitioners. As well as the comprehensive information from earlier editions, it contains important updates regarding the new National Health Practitioner legislation and recent consumer law cases." Adjunct Associate Professor Kerry Bone, Australian College of Phytotherapy and University of New England
