From Irwin Law : Law and Mental Disorder: A Comprehensive and Practical Approach before purchasing it in order to gage whether or not it would be worth my time, and all praised Law and Mental Disorder: A Comprehensive and Practical Approach:

Law and Mental Disorder: A Comprehensive and Practical Approach is an encyclopedic medico-legal overview of forensics issues. With 60 chapters, and over 50 contributors, the topics range from an introduction to the legal system for psychiatrists, to pharmacological treatments for sex offenders, to the pathways to conduct disorder amongst children. The book has been written for a professional audience of psychiatrists, resident psychiatrists, and related heath professionals as well as legal professionals (judges, lawyers), and justice system professionals.
