Daniel W. Shuman : Law and Mental Health Professionals: Texas (Law Mental Health Professionals Series)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Law and Mental Health Professionals: Texas (Law Mental Health Professionals Series):

1 of 1 people found the following review helpful. Lots of information
By David B Kazar
The information is useful for practitioners and provides information that stem naturally from practice i.e., what are the state's child custody laws.
