Sandi Towers-Romero : Law and the Hospitality Industry before purchasing it in order to gage whether or not it would be worth my time, and all praised Law and the Hospitality Industry:

0 of 0 people found the following review helpful. Five StarsBy CustomerFantastic book!0 of 1 people found the following review helpful. It is a great introduction-to bookBy ABI bought this a a textbook. It is a great introduction-to book. Not comprehensive but very informative. I've been in the industry 10+ years and I still learned a few things. I recommend this book, especially if you will be working in the industry.

Law and the Hospitality Industry offers students an affordable and concise introduction to hospitality law. Starting with an overview of hospitality areas (travel agents, transportation, lodging, food services, tour operators and attractions/entertainment), the text explores the intersection of law and topics such as business structures, contracts, torts, property, employment, IP, safety, insurance and ethics. Chapter summaries, key terms, discussion questions and bibliographies help students absorb concepts.

About the Author Sandi Towers-Romero teaches Florida Real Estate Law at Edison State College.
