Translated by Klaus A. Ziegert, Edited by Fatima Kastner, Edited by Richard Nobles (author) Niklas Luhmann : Law as a Social System (Oxford Socio-legal Studies) (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised Law as a Social System (Oxford Socio-legal Studies) (Paperback) - Common:

This work represents Niklas Luhmann's definitive application of systems theory to the understanding of law. In it Luhmann reviews past attempts to create a theory of law and argues they all fail to capture how law operates in modern society. He presents an alternative, critical theory through analysing law as a system of communication.
