Steven R. Smith, Robert Meyer : Law, Behavior, and Mental Health: Policy and Practice before purchasing it in order to gauge whether or not it would be worth my time, and all praised Law, Behavior, and Mental Health: Policy and Practice:

This comprehensive new volume on psychology and the law is an essential reference for students and professionals. It

offers the most up-to-date information on issues such as malpractice, confidentiality, jury selection, punishment, competency, and the right to refuse treatment. Two well-known professionals, a lawyer and a clinical psychologist, have teamed up to write this judiciously balanced, clearly presented, and accessible guide to an ever more complex subject. they answer such questions as: What does a lie detector test really tell you? Can law enforcement officials use hypnosis to investigate a crime? Is eyewitness testimony the most reliable and persuasive evidence? Are we living in a more punitive society? These and other issues are dealt with in a concise, readable manner, one that tells readers how to approach the problems with arise in day-today practice as well as how to think about the fundamental current ethical and legal issues. Meticulously researched and documented, this important new volume offers a lively presentation, one which is must reading for students of law, and for professionals in both fields who want a complete reference guide.

"A readable and interesting book that . . . provides a vivid portrait of the evolution of one southern city during this trying period. It is a most worthy contribution to the literature of the South and to urban history generally." -John Ingham, "Journal of American History" About the Author Steven R. Smith is Professor of Law and Associate Profesor, School of Medicine, University of Louisville. Robert G. Meyer is Professor of Psychology, University of Louisville, and holds an appointment on the Board of Directors, American Board of Forensic Psychology. He has written several books, including The Clinician's Handbook.
