J.R. Lewis, Stephanie Owen : Law for the Construction Industry (Chartered Institute of Building) before purchasing it in order to gage whether or not it would be worth my time, and all praised Law for the Construction Industry (Chartered Institute of Building):

Law for the Construction Industry provides a comprehensive introduction to the English legal system and basic contract law for those involved in the construction industry. It covers the level 2 module on legal studies of The CIOB's Education Framework and is officially sanctioned by The CIOB as the recognised book for that module. The book assumes no previous knowledge of English law.The second edition has been brought fully up-to-date with the latest legal changes. It explains basic contract law and gives the reader an understanding of employment and consumer law whilst placing law in the context of the construction industry throughout.Law for the Construction Industry is a

core textbook for the CIOB level 2 module on legal studies, as well as BTEC HNC/D and degree courses in building and construction management.

About the Author Stephanie Owen is Visiting Lecturer in the Construction Studies Department at North East Surrey College of Technology, Visiting Lecturer in Business Studies at the University of Westminster, and a locum solicitor.
