Charles Abernathy : Law in the United States (American Casebook Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Law in the United States (American Casebook Series):

0 of 0 people found the following review helpful. but good dealBy Customerit was extremely highlighted and annotated, but good deal anyway0 of 0 people found the following review helpful. GoodBy CrescenteGood casebook0 of 0 people found the following review helpful. Just as described!By HillsThe book was almost new, with only a few words highlighted and a couple of notes from prior owner, I'm sorry I can't post a picture now but I like to make notes and highlight my books so I've done that in this ;)

This text was designed to be a realistic introduction to American law for students from civil-law backgrounds. It

shows that American law is neither a pliable common law that allows judges to make law at will, nor a static system. Rather, it presents American law as a complicated mix of statutory and common law that often interact.
