**Sheila Taub : Law Mental Health Professionals: Connecticut** before purchasing it in order to gage whether or not it would be worth my time, and all praised Law Mental Health Professionals: Connecticut:

1 of 1 people found the following review helpful. Essential for any Connecticut mental health professional. By A Customer A detailed, meticulously thought out, legal compendium, expressed with the characteristic limpidity of the author. A true guide through the labyrinth of Connecticut mental health law in its various aspects.

This volume is a review of the laws in Connecticut, as they relate to the mental health profession. The text identifies

legal topics affecting mental health practices and addresses, amongst other topics, rulings about licensing, forms of business practice, and privacy of information.
