Eric M. Clive : Law of Husband and Wife in Scotland (Scottish University Law Institute) before purchasing it in order to gage whether or not it would be worth my time, and all praised Law of Husband and Wife in Scotland (Scottish University Law Institute):

A detailed examination of matrimonial law which covers the formation, legal effects and termination of marriage. This edition includes commentary on the Matrimonial Homes Act 1981, the Family Law (Scotland) Act 1985, and case material on the international conventions of child abduction.
