James Evans : Law on the Net with CDROM (Law on the Net (W/CD)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Law on the Net with CDROM (Law on the Net (W/CD)):

0 of 0 people found the following review helpful. It was ok, considering the copyright year 1997, it provided lots of info at that time. By LatinaLVWish Nolo would update the edition, that's all. Many of the websites no longer exist. 3 of 3 people found the following review helpful. An Excellent Resource Guide By A Customer Easy access to over 2000 law-related sites PC Searchable CD-Rom included A to Z legal topics Law related search engines Federal Laws State Laws Court Decisions International Laws Professional Associations Law Schools and Libraries Legal Publications Legal Discussion Groups Collections of Law sites Part 1: Collection of law sites Part 2: Search Engines Part 3: Federal Law Part 4: State Law Part 5: International Law Part 6: Law Schools, Libraries and Research Part 7: Legal Profession Part 8: Publications Part 9: Discussion Groups Part 10: A to Z Legal Topics Includes: Animal Rights, Child Abuse/Neglect/Welfare, Computer Regulation and Crime and many more. What I liked about this book was that I

could find information on a variety of topics such as adoption, bankruptcy, divorce custody and many, many more. I recommend this book to anyone who is interested in law even if you're not planning on going in the law field or if you're doing research on Law. This book also includes an indepth and easy to read index.

Law on the Net is for anyone who needs answers to legal questions and wants to take advantage of the thousands of legal resources available on the Internet. The CD provides the latest site information and allows point-and-click access to Internet sites using a web browser.

.com If you're looking for legal resources online, this comprehensive compendium is clearly a book of choice. The first 20 pages provide a no-nonsense brief on the basics of going online. The resources throughout the rest of the book are organized topically, and the index is very effective at helping you find resources by area of legal jurisdiction. Although the words are printed on austere gray paper, this is a vibrant and essential Yellow Pages of the best kind. Recommended. . . . everyone who is interested in law and legal research will benefit from this book . . . a straightforward and easy-to-use guide to the sometimes overwhelming number of legal resources available on the Internet and bulletin boards. -- Hank Barry, Partner, Wilson Sonsoni Goodrich Rosati
