3 of 3 people found the following review helpful. Great bookBy aj weissI just finished my first semester as a 1L with straight As (at a top 25 law school). I credit that success to several tips from this book:(1) know the black letter law

could(2) always think of the law in terms of the issues it raises(3) make your own outline.I recommend this book for anyone who wants to enter law school knowing what opportunities and pitfalls to expect.p.s. I got in off the wait list.
