Mark Clark : Laws and Lawyers in Today's America: Thoughts from the Inside before purchasing it in order to gauge whether or not it would be worth my time, and all praised Laws and Lawyers in Today's America: Thoughts from the Inside:

0 of 0 people found the following review helpful. Well worth the read! By Mike Wasdin Laws and Lawyers in Today's America is a well-written book that offers the reader a glimpse inside our justice system from a lawyers perspective. I found this book to be very interesting and insightful; well worth the read. As a person who is familiar with our justice system, I found myself in almost total agreement, Albeit the Christian Nation premise which I unequivocally take issue with. Nevertheless, a very thought provoking book that everyone should have on their reading list! 0 of 0 people

found the following review helpful. Highly recommended!By CustomerEntertaining and educational, I thoroughly enjoyed reading *Laws and Lawyers in Today's America*. Mr. Clark's writing style is engaging and drew me in, enhancing my experience and increasing my interest in the law and in the subjects Mark wrote about. Quite enjoyable, inviting, and eye opening from beginning to end. To top it off, Mr. Clark offers the most interesting story about a lawyer and his use of the law, or attempt at it, that I have ever read. I wholeheartedly recommend this book to everyone; those active in the legal field and those not, for there is something for everyone.0 of 0 people found the following review helpful. And now you know!!By CustomerGreat Book, filled with insite and confirmation that we as laymen have thought and wondered about regarding the law and it's practice.

From the selection of judges, through the Bill of Rights, our status as a Christian nation, to the Supreme Court's abrogation of power, *Laws and Lawyers in Today's America* takes you on an interesting, educational and entertaining journey through several of America's current legal issues. Ethical dilemmas, secession of states, jury nullification, the history of our American rights, and our Christian heritage, are some of the subjects discussed openly and candidly in this analysis from the eye and experience of an insider. Thoughtful and often humorous, you will enjoy seeing the Bill of Rights, other constitutional issues, judges, lawyers and much more through eyes both experienced and wiser.
