Linnie Thomas : Laws Governing Energy Medicine Practitioners before purchasing it in order to gage whether or not it would be worth my time, and all praised Laws Governing Energy Medicine Practitioners:

0 of 0 people found the following review helpful. Wonderful Resourse Tool!By CustomerThis a wonderful book and tool which is so helpful for all Energy Practitioners. Linnie has given you the info you need to know about what the statutes in every state and the territories say on using energy medicine. This should be a resource in every Practitioners library. For those looking for info on many of the energy modalities they should own her other book "The

Encyclopedia of Energy Medicine." Check out Linnie's website where you can get more info:[...]

Although experts in systems of the human body, most energy medicine practitioners and biofield therapists don't know anything about the system of laws governing their practice. Unfortunately, this lack of knowledge and understanding can lead to difficult investigations and expensive fines all due to simple misunderstandings. Now, you can protect yourself and your practice by learning the legal information you need to know with this comprehensive guide. Providing a complete overview of the health care and counseling laws and statutes affecting energy medicine, biofield therapists, and holistic practitioners, this compendium serves as a reference guide to navigating tricky legal issues from state to state. Compiled by Linnie Thomas, a Healing Touch certified instructor and practitioner, this manual provides important definitions, explanations, and overviews of laws on the books in all fifty states, the District of Columbia, Guam, Canada, and Puerto Rico. Don't spend hours searching for the information you need! Simply pick up this manual, educate yourself, and get on with your goal of helping people feel better through the power of touch.

About the Author Linnie Thomas, HTCP/I, MLW, is a healing touch-certified instructor and practitioner who serves as the area coordinator for the Healing Touch Program and related energy medicine modalities in Portland, Oregon. Thomas is a member of the Healing Touch Professional Association, Northwest Writers and Publishers Association, and Willamette Writers. She wrote the award-winning book *The Encyclopedia of Energy Medicine* and is the author of several technical manuals. She has studied over two hundred different programs in energy medicine and been an instructor in the fields of energy medicine, metaphysics, and medical intuition for thirty-six years. She is also a student, instructor, and developer of esoteric and shamanic healing classes. Thomas has her own healing practice in Tualatin, Oregon.
