Mr. Nishant Singh : Laws of Organ Transplantation before purchasing it in order to gage whether or not it would be worth my time, and all praised Laws of Organ Transplantation:

The book deals with the laws of organ transplantation in European and Commonwealth jurisdiction. The medical tourism and human trafficking for the purpose of organ transplantation has also been discussed in this book along with the wrong doing of some medical practitioners. The book is intended to serve the legal fraternity and general public as well. The author of this book is an Advocate in Delhi High Court.
