Peter B. Knapp, Ann Juergens, David F. Herr, Jeffrey W. Stempel, Roger S. Haydock : Lawyering: Practice and Planning (American Casebook Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lawyering: Practice and Planning (American Casebook Series):

0 of 0 people found the following review helpful. Waste of timeBy Daniel P. LehnThis book is full of self-evident platitudes. Additionally, this book is incredibly overpriced. It is paperback and less than 400 pages, but at the time of writing it is selling for \$63. This book is worth \$10 maybe. If that.Verdict: don't bother. It will not help you.
