**Vincent L. Scarsella : Lawyers Gone Bad (Volume 1)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lawyers Gone Bad (Volume 1):

1 of 1 people found the following review helpful. Super Good!By Nita CA great book that encompasses the inner workings of the office that over-sees the honesty of lawyers and their subsequent advancement to judges. Really makes you think, and the end is quite surprising! Highly recomms!2 of 2 people found the following review helpful.

EXCELLENT READ...HAD ME ENGAGED FROM PAGE ONE!!!By Janelle SzymanskiThis was a fast-paced thrilling read that was also an interesting review of the law!!!! Great ending that has me wanting more! This author rocks.....I highly recommend him!!! Excellent writer!!!!!! Can't wait for the sequel!!1 of 1 people found the following review helpful. Lawyers Gone Bad Is So Good!By Gary L. HoskingThe growth of Vincent Scarsella's writing is evident in his latest novel. The easy flowing story line and character development makes this a fun read. The informative insights into the workings of the law as pertains to this judicial area make this an even more interesting tale. Kudos to the author! Looking forward to more in the future.

"Scarsella spices [his tale] with saucy language when needed and street lingo where appropriate. He keeps the suspense at high level until the answers unfold." - The Buffalo News (May 31, 2015) Lawyers Gone Bad is the story of beleaguered attorney disciplinary counsel, Dean Alessi, and his trusty investigator, Stu Foley, in their fight against lawyers gone bad - that is, lawyers who commit ethical and criminal wrongs. In this case they're investigating the local District Attorney, who may have committed the ultimate ethical wrong - murder. Novelist Vincent Scarsella draws on his over 18 years of real life experience as head of the Eighth Judicial District Grievance Committee in Buffalo, New York to craft a gripping, suspenseful novel about lawyers gone bad. But the story is more than a crime novel. It concerns friendship, loss, unrequited love, and ultimately, justice. It seeks to answer the question, does what goes around, come around? "Lawyers Gone Bad," follows on the success of Vincent Scarsella's debut crime novel, "The Anonymous Man", about which The Buffalo News said: "'The Anonymous Man' gets decent marks for creativity and intricacy...it's a fast read that runs through familiar local settings to a satisfying conclusion. Scarsella has the makings of a good storyteller...he and [Jack] Fox could go places." I am really enjoying reading this book so far. - Krystal H. (March 7, 2016) Lawyers Gone Bad Is So Good! - Gary L. Hosking (January 1, 2015) Fantastic Plot! - Harry J Gawronski (April 8, 2015) Scroll Up and Grab Your Copy Thank you for your interest.
