Susan Manch, Michelle C. Nash : Learning from Law Firm Leaders before purchasing it in order to gage whether or not it would be worth my time, and all praised Learning from Law Firm Leaders:

Learning from Law Firm Leaders imparts what these legal professionals learned from their experiences; and allow you to expand your own thinking on the topic of leadership. The book aims to crystallize views on a number of relevant

aspects of leadership that have not been discussed in great depth in the current literature on leadership. You'll find information on the perceived leadership deficit as the Baby Boomer generation approaches retirement and how the next generation of leaders will be prepared to meet the challenges of changing markets and client demands.

About the Author Susan G. Manch has more than thirty years of experience helping lawyers and others maximize career paths and practices. She resides in Washington, DC. Michelle C. Nash has over two decades of concentrated experience in the area of legal professional development. She develops curriculum and presents seminars, programs, and workshops on a wide variety of professional development topics. She lives in Washington, DC.
