the following review helpful. Five StarsBy Charles AdamsA very good read and information that everyone should1 of 1 people found the following review helpful. Great guide quick readBy bookit876This is a great guide to estate planning. I love the fact that its a quick read but is still packed full of great information. Very informative.

When people hear the words "Estate Planning," they often think it is only for the super rich. However, estate planning is not only available, but absolutely necessary for every adult over the age of 18. This book will not only walk you through the reasons why estate planning is so important, but will also show you how to leave a legacy for your family rather than leaving a mess.

About the AuthorSuren G. Adams, is an attorney with a passion for organization and excellence. She founded Adams Law Office, LLC over 14 years ago to help her clients get their financial houses in order and find peace of mind. She is an experienced member of the Maryland Bar Association, the District of Columbia Bar Association, Wealth Counsel, and the Christian Legal Society. Suren obtained a Bachelor of Arts degree in Government Politics from the University of Maryland in 1994 and then completed course work for a Master of Arts degree in English with a specialty in Rhetoric. Suren then obtained her Juris Doctorate degree from George Washington University Law School. Suren was born in Guyana, South America and moved to Durham, North Carolina with her family as a young child. A few years later, the family relocated to Prince Georges County, Maryland, and has lived there ever since. Suren currently resides in Bowie, Maryland with her husband and son.
