Curzon : Lecture Notes on Equity Trusts before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lecture Notes on Equity Trusts:

This book provides a systematic, structured guide to a study of the essential features of equity and trusts. Equitable doctrines are outlined and explained; the key elements of trust law, with particular reference to the varieties of trust, the nature of trusteeship and the consequences of breach of trust, are analysed. This second edition updates the law of trusts by incorporating recent legislation and judicial decisions. A new chapter reviews the Trusts of Land and Appointment of Trustees Act 1996 which makes important changes to the area of administration of trusts.

About the Author L B Curzon is a barrister and lecturer in law who has wide experience as a director of studies, college

principal, examiner and writer of legal texts. He has taught in Britain and overseas and is a regular contributor to the Student law .
