**George D. Pozgar : Legal and Ethical Issues for Health Professionals** before purchasing it in order to gage whether or not it would be worth my time, and all praised Legal and Ethical Issues for Health Professionals:

0 of 0 people found the following review helpful. Great BookBy Cynthia L. ManningIt gave me all the information I needed for my class. It gives you quite a bit of information on the legal aspect of ethics and patient care. It really gives you all kinds of information on end of life stuff.0 of 0 people found the following review helpful. This subject makes you think a lot. The book ...By GingerThis subject makes you think a lot. The book was an asset to help me get an "A" in my course.0 of 1 people found the following review helpful. xBy Alex GarciaThe book arrived in very good comdition. The only problem is that I ordered the wrong one which was 1 edition short. I was not able to use it at all.

Just be sure to double check that you ordered the correct book edition and not be like me.

This is a comprehensive reference to the questions of right and wrong for the student and practicing health professional. This text will provide the reader with a strong foundation to build upon to help in the understanding of ethical dilemmas.
