APPENDIX D. About the Author Professor Raymond S. Edge, EdD, RRT is the author of several textbooks on health care ethics and law. During an academic career extending over three decades, he served as a dean and full professor at several major universities where in addition to teaching and administrative duties, he established faculty and student educational exchange programs with the People's Republic of China and traveled and lectured extensively in that nation. Since retiring from university teaching and administration, he has pursued his passion for regional history and culture, completing a three-book archeological fiction series based on actual Mississippi River sites and artifacts. His 2015 *S: MEMOIR OF AN ICONIC GENTLEMAN* recently won a silver book award in the category of best seasonal book.
