**Clair A. Cripe, Michael G. Pearlman : Legal Aspects Of Corrections Management** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Legal Aspects Of Corrections Management:

0 of 0 people found the following review helpful. Outstanding By E. Gomez I'm very surprised for the quality of the book, knowing the price I paid... I'll recommend my friends to buy this product.. 0 of 2 people found the following review helpful. Review By Samurai Owl The book arrived in a very timely fashion. It is in superb condition.- I was very happy with it. However, I became an " Student" prior to ordering the text book, but I did not receive any benefit ..... 1 of 1 people found the following review helpful. Information every correctional worker should know! By A. Sims Claire Cripe presents an excellent explanation, in layman terms, of legal issues that every correctional worker will eventually face. This book covers examples of state and federal cases and the problems that caused them, and provides a brief summary of private corrections. It is well organized and easy to follow. Anyone looking for additional insight into legal issues in corrections should make it a point to read this book.

Virtually every type of activity performed in any corrections agency or facility may be subject to a lawsuit. Through the use of case law, the Second Edition of *Legal Aspects of Corrections Management* explains what the law has said about specific areas of corrections operations and practices. It is a handy reference for the corrections professional and a valuable resource for criminal justice professors and students.
