Bridgit Dimond : Legal Aspects of Nursing before purchasing it in order to gage whether or not it would be worth my time, and all praised Legal Aspects of Nursing:

Now in its seventh edition, Bridgit Dimond's Legal Aspects of Nursing is the definitive guide to the essential law that nurses and healthcare professionals need to know. Written in an engaging style, the book shows the application of the law to everyday nursing situations showing the relevance and importance of legal considerations to nursing practice. The book covers the legal system and legal issues relating to medicine in general, before examining more specific areas, such as children and the elderly.
