Richard Schulenberg : Legal Aspects of the Music Industry before purchasing it in order to gauge whether or not it would be worth my time, and all praised Legal Aspects of the Music Industry:

0 of 0 people found the following review helpful. Valuable information. By Customer These were needed resources to help me develop my business plan effectively. 1 of 2 people found the following review helpful. Met my expectations-no complaints. By P. Charles Jr. Book was in good condition and delivered on time to meet my deadline. Content wise-it is a helpful read with sample documents that provide substantive guidance in drafting of industry agreements. Thanks. 1 of 2 people found the following review helpful. Excellent all the way around. By David York Service was super, it arrived as promised well within the estimated time period and better than advertised. It arrived in excellent shape since it was packaged correctly and I couldn't have asked for more.

This comprehensive reference features in-depth discussions of every important music industry contract, all enlivened by personal anecdotes from the author's wide-ranging experiences. Updated to reflect the rapid pace of change in the music industry, this new edition includes a focus on group agreements, live performances, free music on the Internet, the effect of the Millennium Copyright Act, ancillary rights, and the independent record label. Other key issues covered include the artists' rebellion against record company contracts, litigation by superstars and songwriters against record labels, and the industry-wide downturn in record sales. "I wish this book had been available when I was starting out." Sam Moore, RB artist, Rock and Roll Hall of Famer For amateur and professional musicians; attorneys, universities and music schools, and libraries Contains over 300 examples of contract provisions

About the Author Richard Schulenberg was director of business affairs for CBS Records and general counsel of the music division of Paramount Pictures. He lives in Los Angeles.
