**Les Vandor : Legal Counsel, Book Three: Retirement, Representation, and Wills** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Legal Counsel, Book Three: Retirement, Representation, and Wills:

Take the law into your own hands with Les Vandors help. For the past 9 years, Ottawa lawyer Les Vandor has been

dispensing legal advice to 400,000 listeners of CBC Radios Ontario Today program. His monthly, hour-long segment fields calls about wills, landlord-tenant issues, liability, property, and lawsuits. Les offers anecdotes and advice in a way that explains the law in a clear, accessible, and understandable way. In these three books, Les answers the 400 most frequently asked questions from real people. Legal Counsel proves that ordinary people can ask ordinary questions and get simple, straightforward answers. And these same people will now be able to ask better, more informed questions if they ever do start working with a lawyer. These books are designed to cover everything from birth to death. Book I covers issues you will need to know as you begin a career and start a family. Book II looks at buying a house, or setting up a company, or splitting up a family. Book III covers retirement issues and estate planning, and includes a sample Last Will and Testament, Power of Attorney, and a Living Will.
